Ron is not American. Having his account closed would be a violation of the local laws.

Fair enough. I'm on the fence with him still.

Yep. I can't wrap my head around how that LARP somehow gained a following and how they still believe him.

Same reason propaganda works. It feels good, like your view is validated.

People want to believe. Its in our nature to want to believe in a greater good. That theres a person out there with the power to right wrongs that we can't right.

Q is the result of that desire.

The desire for greater good should never trump reality. Unfortunately, reality is far less ideal and believing in some rosy narrative fixes absolutely nothing.

Its a survival mechanism... if it didn't bear fruit those equipped with it would have gotten wiped out.

No, he was an 8chan moderator who was familiar with the posts Q would make on there
